Hebrews is certainly a **book for disciples**. It stirs our faith and nips at our heels when we get lazy in our walk. It helps us see Jesus in a new way. And it enables us to understand the role of suffering to discipline and train us up as Jesus' disciples. Though Hebrews discusses at length Old Testament themes of sacrifice, forgiveness and Israel's high priest, it isn't about these things. Ultimately, the Letter to Hebrews is **a lens that focuses all our attention of Jesus Christ**—who he is in both his humanity and divinity, and what he has done for us now and forever. Hebrews is **both a challenge and a joy**. Are you up to the journey? Everyone from our community is welcome to attend.

**“Revealing the Mysteries of Heaven” will answer and clarify the most important questions Christians have about their future eternal home.
